

`basic_json::patch`

```
graph LR; A[basic_json::patch] --> B[basic_json::patch_inplace]; B --> C[basic_json::erase];
```

The diagram illustrates a sequence of three JSON patch operations. It consists of three rectangular boxes arranged horizontally. The first box on the left is white with a black border and contains the text `basic_json::patch`. A blue arrow points from the right side of this box to the left side of the second box in the middle. The second box is also white with a black border and contains the text `basic_json::patch_inplace`. Another blue arrow points from the right side of the second box to the left side of the third box on the right. The third box is gray with a black border and contains the text `basic_json::erase`.
